# Tips to Prepare **Before** a Tropical Storm or Hurricane:

## **Update your emergency kit:**

Stock up on medications, important documents, batteries, non-perishable food, and other essentials.

## **Sign up for alerts:**

Enroll in your county's emergency alert system to receive real-time weather and safety updates via text, email, or phone.

## **Review your emergency plans:**

Make sure everyone in your household knows what to do and where to go in case of a storm.

## **Stay weather-aware:**

Monitor trusted sources regularly for the latest storm developments.
